

We are certified teachers providing one-on-one instruction for Math and Reading, beginning with Pre- K up to Twelfth grade. We can instruct in other subjects upon request.

What we do:

- ARMT, AHSGE, ACT test preparation
- Administer grade level test to determine the skills that need to be reinforced (any subject requested).
- Provide skill enhancement for students on or above their grade level.
- Your child will receive one-on-one instruction with a certified teacher for one hour per session.
